We have examined and understood the details given in Request for Proposal (EOI) document and communication issued by the institute and agree with all terms and conditions given therein.

Our fee for the scope of Structural Consultancy including Structural consultancy services like Structural audit Report along with the detail BOQ of re-strengthening, Restructuring, retrofitting, remaining life of existing building, any type of other maintenance whichever required to ensure seismic safety of existing buildings, as per MCD norms amounts to Lumpsum Rs. .

The GST as applicable shall be payable in addition to the fee by ICAI.

The Institute shall deduct taxes at source as applicable.

The Contract Price shall include:

- (i) All direct and indirect planning, Structural Consultancy , engineering, and administrative including profit inclusive of salaries, etc. of their office and site staff.
- (ii) All prevailing taxes except GST.
- (iii) All consumables, papers, print media, printing / plotting, floppy disks, CD, computer use, etc.
- (iv) For the visit to the site of the Project and / or for any meetings at Offices of ICAI, all travelling expenses, lodging & boarding expenses, local travel / transport charges up to the extent of four visits per month by at least two experts / professionals / Structural Consultant . (Beyond mentioned such visits in connection with the work, the Institute shall reimburse actual travel expenses as per Institute's norms and shall provide local hospitality at the Institute's Visitors' Hostel.)
- (v) Expenses on charges of telephone, faxes, email, couriers, stationery etc.
- (vi) All other out-of-pocket expenses.

(vii) Applicable stamp duty of the Contract Agreement.

- 1 The Structural Consultant shall fulfill and comply with its entire obligation for payment of taxes both direct and indirect taxes including income tax, GST, value added tax, if any, and shall deduct and deposit tax deducted at source, withholding tax from any payment made to employees, Structural Consultant and other service providers. No reimbursements of any tax liability of the Structural Consultant (except GST as per bill of the Structural Consultant as per prevailing and applicable rates) shall be made.
- 2 The Structural Consultant shall obtain and provide to the Institute all necessary registrations from the Government and shall obtain and provide GST Registration, Permanent Account Number before commencement of work. And also inform the below details.
 1. **Cancelled cheque**
 2. **MSME certificate (If not regd pl specify).**
 3. **Copy of PAN**
 4. **GST registration certificate (If not regd pl specify).**
 5. **Aadhar no., Address, mail id & contact no.**

3.Termination of Contract

The Institute may terminate this Contract without further reference to the Structural Consultant and be deemed to be terminated from that date.

If the Structural Consultant :

- a. Becomes bankrupt or insolvent, or,
- b. Makes arrangements with or assignment in favor of his creditor, or agrees to carry out the contract under a committee of inspection of his creditors;
- c. Being a company or corporation goes into liquidation by a resolution passed by the Board of Directors / General Body of the shareholders or as a result of court order (other than liquidation for the purpose of amalgamation or reconstruction);
- d. Has execution levied on his goods or property or the works;
- e. Assigns or sublets the contract or any part thereof otherwise than as provided for under the terms and conditions of this contract;
- f. Abandons the contract;
- g. Persistently disregards instructions of the Project Authority or contravenes any provisions of the Contract;
- h. Fails to adhere to the agreed program of work or fails to complete the works or parts of the works within the stipulated or extended period of completion, or is

- unlikely to complete the whole work or part thereof within time because of poor record of progress;
- i. Fails to take steps to employ competent and / or additional staff and personnel;
 - j. Fails to remedy any defect, discrepancy, lacuna, mistake, error whether advertent or inadvertent and fails in the performance of their obligations under the Contract;
 - k. Fails to comply with any final decision reached as a result of settlement of dispute in pursuant to Clause 10 thereof;
 - l. Submits to the Institute a false statement which has a material effect on the rights, obligations or interests of the Institute, or if the Structural Consultant places itself in position of conflict of interest or fails to disclose promptly any conflict of interest to a Institute;
 - m. If the Structural Consultant , in the judgment of the Institute has engaged in Corrupt or Fraudulent Practices in competing for or in executing the Contract;
 - n. If the Institute, in its sole discretion and for any reason whatsoever, decides to terminate this Contract;
 - o. Suppresses or gives wrong information while submitting the reports, drawings, and designs. In any such case the ICAI/Project Authority, may serve the Structural Consultant with a notice in writing to that effect and if the Structural Consultant does not, within seven (7) days after the delivery of such notice, proceed to make good his default in so far as the same is capable of being made good, and carry on the work or comply with such instructions as aforesaid to the entire satisfaction of the ICAI/Project Authority.
 - p. The Structural Consultant shall not in the event of such termination being due to their breach, be entitled to any compensation or damage against the Institute, but shall be entitled to their fees earned up to that date after deduction of liquidated damages, if any;
 - q. The ICAI/Project Authority, shall be entitled to take any action to terminate the Contract with the Structural Consultant upon happening of any of the events herein above, at any time, should, in the opinion of the ICAI/Project Authority, the cessation of works becomes necessary.
- 4** Notice in writing from the Project Authority, of such termination and reasons therefore, shall be conclusive evidence thereof.
- 5** In case of termination, the ICAI/Project Authority may carry out the whole or part of the work from which the Structural Consultant has been removed by engaging another Structural Consultant and/ or deployment of technical staff at site at the risk and cost of the Structural Consultant .
- 6** In case of termination of contract the ICAI shall be entitled and empowered as under:

- (a) Forfeit the whole or such portion of the Performance Guarantee available in the form of irrevocable Bank Guarantee, as he may deem fit; and
- (b) Recover from the Structural Consultant the cost of carrying out the balance work in excess of the sum, which he would have been paid, according to the certificate of the Project Authority, if the works had been carried out and completed by the Structural Consultant under the terms of the contract. Such certificate shall be final and binding upon the Structural Consultant. The amount to be recovered may be deducted by the Project Authority, from any other moneys due and payable to the Structural Consultant alone or jointly under this or any other contract.

7 The Structural Consultant shall have no claim to any payment of compensation or otherwise, on account of any profit or advantage which he might have derived from the execution of the work in full but which he could not in consequence of the termination of contract under this clause. Upon termination of the Contract by the Structural Consultant, the Structural Consultant shall be entitled only to claim unpaid fees for the work(s) assigned to him and which have been completed to the satisfaction of the Institute.

8 Cessation of Rights and Obligations

Upon termination of this Contract pursuant to Clause 8.1 hereof, or upon expiration of this Contract, all rights and obligations of the Parties hereunder shall cease, except (i) such rights and obligations as may have accrued on the date of termination or expiration, (ii) the obligation of confidentiality set forth in this contract, (iii) the Structural Consultant's obligation to permit inspection, copying, and auditing of their accounts and records and to provide copy of all reports, drawings, designs made for the Institute up to the date of termination or expiration of contract, (iv) the rights of the Institute to get indemnified from the Structural Consultant in terms of this contract, and (v) any right which a Party may have under the Applicable Law.

8.1 Cessation of Services

Upon termination of this Contract pursuant to Clause 8.1 hereof, the Structural Consultant shall, immediately upon dispatch or receipt of such notice, take all necessary steps to bring the Services to a close in a prompt and orderly manner and shall make every reasonable effort to keep expenditures for this purpose to a minimum. With respect to documents prepared by the Structural Consultant shall proceed as provided, respectively, by Clause 8.6 hereof. Upon termination, the Structural Consultant shall vacate office premises and site of the Institute within a period of seven (7) days and hand over the same to the Project Authority and shall obtain acknowledgement thereof.

8.7 Payment upon Termination

Upon termination of this Contract pursuant to Clause 8.1, the Institute shall make the following payments to the Structural Consultant :

- (a) Remuneration pursuant to Clause 6 for Services satisfactorily performed prior to the effective date of termination;
- (b) If the Contract is terminated pursuant to Clause 8.1 (a), (b), (d), (e), or (f) the Structural Consultant shall not be entitled to receive any agreed payments upon termination of the Contract. However, the Institute may consider paying for the part satisfactorily performed on the basis of the quantum merit as assessed by it, in its sole discretion, if such part is of economic utility to the Institute. Under such circumstances, upon termination, the Institute may also impose liquidated damages as per the provisions of Clause 13 of this Contract. The Structural Consultant will be required to pay any such liquidated damages to Institute within thirty (30) days from the date of such demand.

9.0 Obligation and Liabilities of the Structural Consultant

9.1 General

The Structural Consultant shall perform the Services and carry out their obligations hereunder with all due diligence, efficiency and economy, in accordance with all applicable statutory provisions, codes, standards, well established good practices and professional techniques, and shall observe sound management practices, and employ appropriate advanced technology and safe methods. The Structural Consultant shall always act, in respect of any matter relating to this Contract or to the Services, as faithful advisers to the Institute, and shall at all times support and safeguard the Institute's legitimate interests in any dealing with Sub-Structural Consultant or third parties.

- 9.2** The Structural Consultant shall maintain professionally qualified and experienced staff, employees and sub-Structural Consultant for the assignment of the Institute. The Structural Consultant shall also submit a list of competent Structural Consultant (s) and other professionals with minimum ten years of experience in building projects for day to day interaction with the Project Authority or his authorized representative to provide timely services as per the scope of work. Such person(s) shall work under the Principal Structural Consultant / Team Leader (Structural Consultant) and shall be available for the entire period of operation of this Contract. In addition engineers and experts from specialized fields will be available.

The principal team leader shall participate in the meetings and visit the construction site periodically during the course of work at least once a

month or when required by the Project Authority. The Structural Consultant shall submit in advance details with resume of key personnel to be deployed for the assignment.

9.3 Conflict of Interest

(a) Structural Consultant Not to Benefit from Commissions, Discount, etc.

The remuneration of the Structural Consultant pursuant to Clause 6 shall constitute the Structural Consultant 's sole remuneration in connection with this Contract or the Services, and the Structural Consultant shall not accept for their own benefit any trade commission, discount or similar payment in connection with activities pursuant to this Contract or the Services or in the discharge of their obligations under the Contract, and the Structural Consultant shall use their best efforts to ensure that the Personnel, any Sub-Structural Consultant and agents or either of them, similarly shall not receive any such additional remuneration.

(b) Structural Consultant and Affiliates Not to Engage in Certain Activities

The Structural Consultant agree that, during the term of this Contract and after its termination, the Structural Consultant and their affiliates, as well as any Sub- Structural Consultant , shall be disqualified from providing goods, works, or services (other than the Services and any continuation thereof) for any project resulting from or closely related to the Services for the period of two years.

9.4 The Right to use the material

- (a) The Institute has the right to use the material provided by the Structural Consultant for the purpose stated in the Scope. The Structural Consultant obtains from his Sub-Structural Consultant equivalent rights for the Institute to use material prepared by the Sub-Structural Consultant .
- (b) The Structural Consultant has the right to use material provided by the Institute only to provide the Services. The Structural Consultant may make this right available to a Sub-Structural Consultant . On completion of the whole of the services, the Structural Consultant shall return the material provided by the Institute to him.
- (c) The Structural Consultant may publicize the services only with the Institute's written agreement.
- (d) Neither the Structural Consultant , nor any of his Sub-Structural Consultant , nor any of their related parties of any tier, use any material prepared specifically for this Project for any other work except with the prior written consent of the Institute.

- (e) Upon termination of this Contract, if so directed by the Institute the Structural Consultant provides to the Institute forthwith, organized and indexed to a reasonable professional standard all such documents, reports, statements, drawing, designs, and any other material in any form and substance.
- (f) Clearly legible copies of all designs, documents, and records produced by, delivered to or served upon the Structural Consultant and / or his Sub-Structural Consultant of any tier in relation to this Contract and/or the services, on paper as the Institute elects shall be the property of the Institute.
- (g) All editable digital copies, CD-ROM or in other format soft copies as instructed by the ICAI/Project Authority of all of the foregoing for which the Structural Consultant and/or his Sub-Structural Consultant of any tier had soft copies prior to termination shall be property of the Institute.

9.5 Confidentiality: The Structural Consultant undertake that:

- (a) The Structural Consultant or Sub-Structural Consultant shall not, without the previous written consent of the Institute, use, publish, or disclose to any person, not cause nor permit any of his affiliates, employees, agents or Sub-Structural Consultant or the employees or agents of those Sub-Structural Consultant to use, publish, or disclose any Confidential Information obtained from the Institute otherwise than for the performance of his duties under the Contract. If required by the Institute, the Structural Consultant shall cause any person to whom Confidential Information has been or intended to be disclosed to enter into an individual written obligation to the Institute to comply with this Sub-clause.
- (b) The Structural Consultant shall not, other than for the purposes of performing the Works, take or permit to take any photograph or other image of the whole or any part of the Work(s) or any other property of the Institute, or any physical or virtual model of it, without the prior written permission or consent of the Institute. Any such photograph or other image shall be regarded as Confidential Information within the terms of Sub-Clause 9.4. (a) No photograph or other image so taken shall be used for the purposes of publicity without the prior written consent of the Institute.
- (c) The Structural Consultant , their Sub-Structural Consultant (s), and the Personnel of either of them shall at no point of time disclose any information relating to the Project, the Services, this Contract or the Institute's business or operations without the prior written consent of the Institute.

9.6 Structural Consultant 's Actions Requiring Institute's Prior Approval / Consent

The Structural Consultant shall obtain the Institute's prior approval in writing before taking any of the following actions:

- i. Entering into a sub-contract for the performance of any part of the Services, it being understood:

- (a) That the selection of the Sub-Structural Consultant and the terms and conditions of the subcontract have been approved in writing by the Institute prior to the execution of the subcontract; and
 - (b) That the Structural Consultant shall remain fully liable for the performance of the Services by the Sub-Structural Consultant and its Personnel pursuant to this Contract.
- ii. Changing of approved key personnel to be deployed for this Project.

9.7 Reporting Obligations

The Structural Consultant shall submit to the Institute the reports and documents specified in this Contract as sought for by the Project Authority, and within the period of time set forth.

9.8 Documents Prepared by the Structural Consultant to be the Property of the Institute

All plans, drawings, specifications, designs, reports, other documents and software submitted by the Structural Consultant pursuant to this contract shall become and remain the property of the Institute, and the Structural Consultant shall not later than upon termination or expiration of this Contract, deliver all such documents and software to the Institute, together with a detailed inventory thereof. The Structural Consultant may retain a copy of such documents and software.

9.9 Liability of the Structural Consultant

Subject to the provisions of this contract, the Structural Consultant's liability under this Contract shall be as provided by the Applicable Law.

The Applications containing false and/or incomplete information are liable for rejection. The ICAI shall obtain the Confidential Reports from the clients of the applicants and inspect the works to verify the various details and the credentials.

Decision of the ICAI in regard to selection of Structural Consultant shall be final. The ICAI is not bound to assign any reasons therefore.

I/We have read the various items and conditions and the same are acceptable to me/us.

The Undersigned is fully authorised by <Name of the Organisation> to submit this Financial Proposal.

Thank you.
Yours sincerely
