Descriptive questions

11. According to section 27(1) of the Companies Act, 2013, the terms of a contract referred to in the prospectus or objects for which the prospectus has been issued can be varied, but only with the authority of the company given by it in general meeting by way of special resolution.

The second proviso to sub-section (1) prescribes that such company is not to use any amount raised by it through the prospectus for buying, trading or otherwise dealing in equity shares of any other listed company.

In the given question, XYZ Limited, is planning to use the amount initially raised for investing in a different industry, which also involves trading in equity shares of other listed companies.

Though XYZ Limited has passed a special resolution for the said proposal but it cannot use any amount raised by it through the prospectus for buying, trading or otherwise dealing in equity shares of any other listed company. Hence, the said proposal for new investment is not valid.

12. According to section 54(1) of the Companies Act, 2013, a company may issue sweat equity shares if all of the following conditions are fulfilled:
- Share of that class must be already issued
 - Issue is authorised by a special resolution passed by the company;
 - Resolution specifies the details regarding the number of shares, the current market price, consideration, if any, and the class or

classes of directors or employees to whom such equity shares are to be issued;

The special resolution authorising the issue of sweat equity shares shall be valid for making the allotment within a period of not more than 12 months from the date of passing.

During a year, the maximum amount/limit for which sweat equity shares can be issued is higher of:

- a. 15% of the existing paid up equity share capital or
- b. Shares of the issue value of rupees 5 crore.

The issuance of sweat equity shares (cumulative, including all previous issues, if any) shall not exceed 25% of the paid-up equity capital of the company at any time.

In the given question, the company has proposed to issue sweat equity shares to the tune of ₹ 4 crore. However, the maximum limit to which it can issue such shares is- Higher of:

- a. 15% of the issued paid up share capital, i.e. ₹ 3 crore, or
- b. 5 crore

Thus, company can issue sweat equity shares to the tune of ₹ 5 crore. However, the company cannot issue such shares more than 25% of the paid-up equity capital= 25% of ₹ 20 crore= ₹ 5 crore.

Hence, the company can issue sweat equity shares of ₹ 4 crore.

- 13.** The provisions of section 77 relating to registration of charges shall, so far as may be, apply to:
- a. a company acquiring any property subject to a charge within the meaning of that section; or
 - b. any modification in the terms or conditions or the extent or operation of any charge registered under that section.

According to section 79(a) of the Companies Act, 2013, in case of a property where charge is already registered and if it is sold with the permission of the holder of charge, it shall be the duty of the company acquiring it to get the charge registered in accordance with section 77.

According to the provisions of section 77, when a company acquires property that is subject to an existing charge, it is the duty of the acquiring company (PQR Limited in this case) to register the charge as its own. This means that PQR Limited must create a fresh charge over the acquired property and register it with the Registrar of Companies (RoC) as per section 77.

Now upon acquisition, it is PQR Limited's responsibility to ensure that the previous charge is effectively discharged and that the new charge is registered in its name, reflecting PQR Limited as the current owner and debtor of the charge. Hence, the contention of directors of PQR Limited that since the charge for the property was already created, there is no further obligation on part of PQR Limited, is not correct.

- 14.** According to section 2(10) of the Companies Act, 2013, Financial statement in relation to a company, includes:
- (i) a balance sheet as at the end of the financial year;
 - (ii) a profit and loss account, or in the case of a company carrying on any activity not for profit, an income and expenditure account for the financial year;
 - (iii) cash flow statement for the financial year;
 - (iv) a statement of changes in equity, if applicable; and
 - (v) any explanatory note annexed to, or forming part of, any document referred to in sub-clause (i) to sub-clause (iv):

Provided that the financial statement, with respect to one person company, small company, dormant company and private company (if such private company is a start-up) may not include the cash flow statement.

For considering the applicability of preparation of cash flow statement in case of Sam (P) Limited, it is required first to analyze that Sam (P) Limited does not fall in the following categories:

- (i) Small company – A company which is a subsidiary company cannot be categorized as a small company as per proviso to section 2(85). Thus, even though its paid up capital and turnover are within the

prescribed limits, as Sam (P) Limited is a subsidiary company of Vishal Limited, it cannot be considered as small company.

- (ii) Dormant company – It is given that the company is actively carrying on its business, so it cannot be also categorized as a dormant company based upon the facts given.

So, Sam (P) Limited shall be deemed to be a public company as it is subsidiary of Vishal Limited, an unlisted public company and so it will not fall into this category of exemption as well.

Thus, it can be concluded that Sam (P) Limited is mandatorily required to prepare cash flow statement for the financial year as a part of its financial statements as it does not fall in any of the categories of companies mentioned under proviso to section 2(10) of the Companies Act, 2013.

- 15.** Section 96(2) of the Companies Act, 2013, states that every annual general meeting shall be called during business hours, that is, between 9 AM and 6 PM on any day that is not a National Holiday and shall be held either at the registered office of the company or at some other place within the city, town or village in which the registered office of the company is situated.

Provided that annual general meeting of an unlisted company may be held at any place in India if consent is given in writing or by electronic mode by all the members in advance.

In the given question, Pran Limited is an unlisted company and consent of all members to conduct the AGM at Goa has been received in advance (by 1st July, 2024). Also, the meeting was started well within the prescribed time i.e. at 3.00 PM. Hence, the meeting was validly called.

- 16.** Section 142 of the Companies Act, 2013, provides for remuneration of auditors. According to this section the remuneration of the auditors of a company shall be fixed by the company in general meeting or in such manner as the company in general meeting may determine. However, the Board may fix remuneration of the first auditor appointed by it.

The remuneration shall, in addition to the fee payable to an auditor, include the expenses, if any, incurred by the auditor in connection with the audit of the company and any facility extended to him but does not

include any remuneration paid to him for any other service rendered by him at the request of the company.

As per the facts of the question and stated provision, remuneration of the appointed statutory auditors of a company shall be fixed by the company in general meeting or in such manner as the company in general meeting may determine as they are not the first auditor.

Hence, the contention of the Board of directors that they can fix the remuneration of the auditor on their own is not valid.

17. According to section 25 of the Limited Liability Partnership Act, 2008,
- (1) Every partner shall inform the LLP of any change in his name or address within a period of 15 days of such change.
 - (2) A LLP shall—
 - (a) where a person becomes or ceases to be a partner, file a notice with the Registrar within 30 days from the date he becomes or ceases to be a partner; and
 - (b) where there is any change in the name or address of a partner, file a notice with the Registrar within 30 days of such change.
 - (3) A notice filed with the Registrar under sub-section (2)—
 - (a) shall be in such form and accompanied by such fees as may be prescribed;
 - (b) shall be signed by the designated partner of the LLP and authenticated in a manner as may be prescribed; and
 - (c) if it relates to an incoming partner, shall contain a statement by such partner that he consents to becoming a partner, signed by him and authenticated in the manner as may be prescribed.
- (i) **Priya's Address Change:** Under the provision, Priya was required to inform XYZ LLP of her address change within 15 days of the move. Following that, XYZ LLP was required to file a notice with the RoC within 30 days of being notified of Priya's new address. As

Priya did not inform the LLP about change of address and consequently LLP did not file a notice regarding the change in address of Priya with the Registrar, XYZ LLP is not in compliance with the required timeline.

- (ii) **Ramesh's Admission as a Partner:** For new partners, XYZ LLP must file a notice with the RoC within 30 days of a person becoming a partner. This notice should include Ramesh's consent statement, signed by him and authenticated as prescribed. The delay in filing means XYZ LLP did not meet the 30-day requirement.

18. According to section 5 of the General Clauses Act, 1897, where any Central Act has not specifically mentioned a particular date to come into force, it shall be implemented on the day on which it receives the assent of the Governor General in case of a Central Acts made before the commencement of the Indian Constitution and/or, of the President in case of an Act of Parliament.

In the given question, the Environment Protection Amendment Act, 2024, received assent of President of India on 15th July, 2024. The commencement date is prescribed as 1st September 2024. Accordingly, the Environment Protection Amendment Act, 2024, shall come into enforcement 1st September, 2024.

19. **Effect of usage:** Usage or practice developed under the statute is indicative of the meaning recognized to its words by contemporary opinion. A uniform notorious practice continued under an old statute and inaction of the Legislature to amend the same are important factors to show that the practice so followed was based on correct understanding of the law. When the usage or practice receives judicial or legislative approval it gains additional weight.

In this connection, we have to bear in mind two Latin maxims:

- (i) '*Optima Legum interpres est consuetude*' (the custom is the best interpreter of the law); and
- (ii) '*Contemporanea Expositio est optima et fortissima in lege*' (the best way to interpret a document is to read it as it would have been read when made).

Therefore, the best interpretation/construction of a statute or any other document is that which has been made by the contemporary authority. Simply stated, old statutes and documents should be interpreted as they would have been at the time when they were enacted/written.

Contemporary official statements throwing light on the construction of a statute and statutory instruments made under it have been used as *contemporanea expositio* to interpret not only ancient but even recent statutes in India.

20. As per section 2(v) of the Foreign Exchange Management Act, 1999, the term 'person resident in India' means the following entities:

A person who resides in India for more than 182 days during the preceding financial year.

The following persons are not persons resident, in India even though they may have resided in India for more than 182 days.

- A. A person who has gone out of India or stays outside India for any of the three purposes given below,
- B. A person who has come to or stays in India otherwise than for any of the three purposes given below;

Three Purposes

- (1) For or on taking up Employment
- (2) For carrying on a business or Vacation
- (3) For any other purpose in such circumstances as would indicate stay for an uncertain period.

Ravi's Residential Status: Ravi resided in India for more than 182 days in the preceding financial year, which would typically qualify him as a "person resident in India." However, his decision to leave India for long-term employment in Canada changes his status. According to the provision, a person who has left India for the purpose of employment abroad is not considered a "person resident in India" even if they meet the 182-day requirement. Thus, Ravi does not qualify as a resident for the current financial year.
